Sub: - Intimation of Receipt of Cybersecurity Service Provider Licenses by Sattrix Information Security SDN. BHD. under the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Scrip Code: - 544189 – SATTRIX INFORMATION SECURITY LIMITED

Dear Sir/ Madam,

Sattrix Information Security Limited ("Sattrix") is pleased to announce a major milestone in our international growth strategy. Sattrix Information Security SDN. BHD., a joint venture formed in 2024 between Sattrix Information Security Limited and Cloud IOT SDN. BHD. has officially been granted two prestigious cybersecurity service provider licenses by the National Cyber Security Agency (NACSA), Malaysia, under the Cyber Security Act 2024 (Act 854).

The first license, bearing number 20246-01, authorizes us to provide Managed Security Operations Centre (SOC) Monitoring Services. The second, issued under license number 20249-02, permits us to offer Penetration Testing Services. Both licenses are valid for a tenure of one year, further reinforcing our operational readiness and compliance with national cybersecurity standards.

These licenses authorize Sattrix Information Security SDN. BHD. to operate as a certified cybersecurity service provider in Malaysia, in accordance with the provisions of the Cyber Security Act 2024 and the Cyber Security (Licensing of Cybersecurity Service Providers) Regulations 2024 [P.U. (A) 221/2024].

STRATEGIC SIGNIFICANCE

Achieving NACSA certification marks a pivotal moment for Sattrix—not merely a regulatory milestone, but a strategic advancement in our global cybersecurity journey. This recognition positions us as a trusted vendor for high-security sectors, enabling us to engage with Government and Critical National Information Infrastructure (CNII) entities, Government-linked Companies (GLCs), and regulated industries such as Oil & Gas, BFSI, and Utilities.

It validates our technical maturity, operational excellence, and adherence to cybersecurity best practices, significantly enhancing our eligibility for public-sector tenders and strategic partnerships

across Southeast Asia. This milestone reinforces our commitment to delivering secure, reliable, and compliant solutions, further solidifying our leadership in the cybersecurity domain.

VALUE TO SATTRIX

This certification brings tangible value to Sattrix by strengthening our market credibility in Malaysia and the broader Asian region. It opens up new business opportunities in high-trust sectors and reinforces client confidence in our capabilities and compliance posture. Most importantly, it accelerates our growth trajectory in International Cybersecurity Markets.

Recognition by NACSA is a testament to our relentless pursuit of excellence and innovation. It marks a new chapter in our mission to become a leading global provider of cybersecurity solutions.

Kindly take this information on your records and acknowledge the receipt.

Thanking you,

Yours faithfully,

For, Sattrix Information Security Limited

(formerly known as Sattrix Information Security Private Limited)
